

TEMPLE BETH ZION, REB MOSHE AND ANNE WALDOKS, LIFELONG LEARNING CENTER

Brookline, MA

Acella Construction managed interior renovation:

- Complete third floor renovation, including the expansion of the mezzanine over the Sanctuary space to accommodate new, modern classrooms and meeting rooms.
- Replacement of six large windows in the Sanctuary and all new windows throughout the building.
- Carefully coordinated work in occupied building, expanded mechanical systems, new lift to third floor and the addition of handi-cap accessible restroom.
- Ground floor and second floor lobby upgrades, three new main doors to create a more welcoming entry with upgraded security.

Architect:

Leslie Saul & Associates
